TRANSFORMING COMMUNITIES

FREE webinars on Live Music in Care with People Living with Dementia | April-July 2025

COVERING

- Reasons to use music in dementia care
- Introduction to the Take Note resources
- Practical sessions on leading singing and percussion activities

Suitable for people working in care homes, healthcare and home-care, as well as family and unpaid carers, with a focus on group music making.

Sign up to all four to get free places in two of a series of regular live online concerts, featuring a selection of highly talented Live Music Now professional musicians.
