

Appendix 2: Semi structured interviews and staff surveys

A Choir In Every Care Home Staff Semi Structured Interview

1. Has taking part in the project had any positive or negative effects on the life / community of the home? If yes, please explain/ describe?

 2. Has the project increased or reduced the amount of music making within the home? If yes, please explain/ describe

 3. What differences, if any, has taking part in the project made to the levels of musical confidence in
 - a) the staff and
 - b) the residents

 4. Would the project have worked without the involvement of professional musicians? (Yes/No).

What difference did this approach of having professional musicians coming into the home make?
Are you able to say what was it that they did that affected this?

 5. Is there anything that didn't work as well as it could have and if so how could that have been improved?

 6. Any other comments you would like to make
-
