Staff Information sheet

Evaluation of ACIECH at

Dear Participant,

Thank you for agreeing to participate in our evaluation of the effects of the Music Programme in ????. Between ??? Dates???, a researcher from LMN will observe the work of the musicians to evaluate the effect of the music on residents and staff and correlate this with your own data.

We would like you to complete a survey at the beginning middle and end of the activity and to interview you and your colleagues about your experience and your views of the music sessions, and their impact on the residents.

Results will be reported in a final report and at several conferences. A copy of the final report can be obtained from Centre for Arts as Wellbeing at the University of Winchester. Information gathered about individuals will be kept confidential and will be anonymised if presented at conferences and in research papers. The names and locations of care homes will not be identified in reports.

Your participation in this study is completely voluntary. You are free to withdraw consent and discontinue participation in the experiment at any time. If you have any questions regarding this study, your questions can be directed to us by email at

Thank you for your participation.

.....

NOTE: This study has been approved by the University of Winchester Human Research Ethics Committee. If you have any complaints or reservations about the ethical conduct of this research, you may contact the Ethics Committee/Panel through the research ethics officer phone number (01962 827291). Any issues you raise will be treated in confidence and investigated fully, and you will be informed of the outcome.
